We pay our respects to the Wurundjeri people and their culture, and to their Elders past, present and emerging.

Moreland City Band Inc. Background

MCB, and its antecedents in Brunswick and Coburg, has been operating continuously since 1882, providing opportunity for people to make music together and serving to enliven festivals, parades, and community events. MCB involves community musicians of all ages, from diverse social and cultural backgrounds. Originally developed as a traditional brass band, MCB now encompasses multiple musical ensembles spanning more diverse musical styles. It is run entirely by volunteers and administered by a Committee elected from its membership. MCB acknowledges the ongoing support of Moreland City Council, and also seeks support through a range of other programs and agencies.
